

Long-distance Bar Light

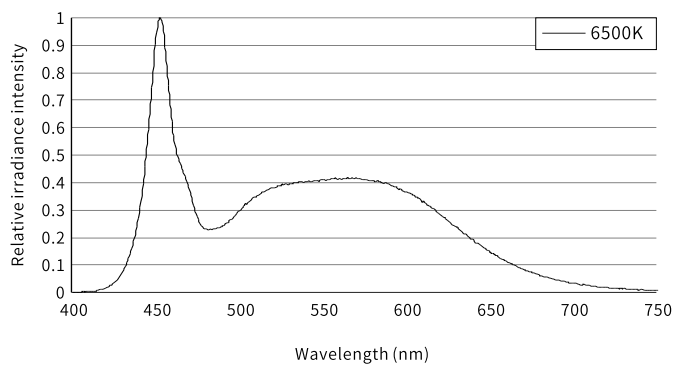

Technical specification

Model	HL2-1050X30W
Lighting method	Continuous / Strobe lighting
Color	W:5800-7300K
Recommended WD (mm)	500-1000
Input voltage (V)	24
Output power (W)	W:2×53
L*W*H (mm)	1060×40×42
Weight (g)	1841
Operation	Temperature: 0-40°C, humidity: 20-85%, non-condensation
Storage	Temperature: 0-40°C, humidity: 20-85%, non-condensation
Accessories	Extension cable: 1m/2m/3m/5m/7m
Development	Custom light to get best effects
