

Long-distance Bar Light

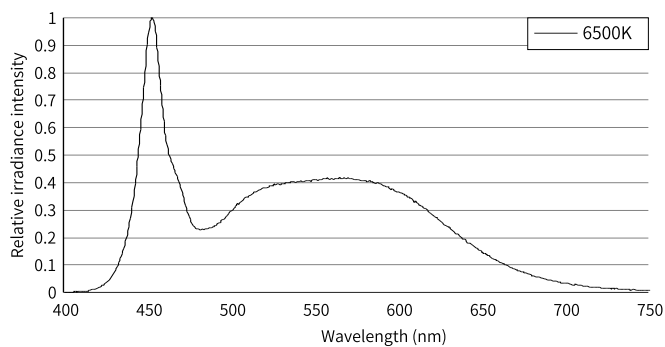

Technical specification

Model	HL2-300X30W
Lighting method	Continuous / Strobe lighting
Color	W: 5800-7300K
Recommended WD (mm)	500-1000
Input voltage (V)	24
Output power (W)	W: 30
L×W×H (mm)	310×40×42
Weight (g)	546
Operation	Temperature: 0-40°C, humidity: 20-85%, non-condensation
Storage	Temperature: 0-40°C, humidity: 20-85%, non-condensation
Accessories	Extension cable: 1m/2m/3m/5m/7m
Development	Custom light to get best effects
